1. American Corn Hole Association rules are followed unless otherwise noted. http://americancornhole.com/downloads/ACO-SeasonXII/ACO-Rules-for-the-Sport-of-Cornhole.pdf
2. No age limit to play; however, all are entered in the same tourney and each player can only be entered on one team...this is a family event and teams are expected to act and play in a friendly and sportsman like manner. Watch your language, please, little ears may be present…
3. This is a double elimination tournament with a winner's and loser's bracket. Both will be posted at the registration table.
4. Board Assignment- Your Corn hole board and bags will be randomly assigned to you after your team number is chosen from a hat. You will play against the team that you are assigned to play and with the equipment provided by the committee (e.g. you may not bring your own bags).
5. Play to 21 points or over, no "bust rule" is in effect.
6. Winner's advance. After losing once, you will be placed into the loser's bracket. Progress through the loser's bracket and you still have a potential shot at glory.
7. The winner's bracket champion will determine who plays the loser bracket champion for the 1st or 2nd place prize. The loser's bracket champion will have to beat the winner's bracket champion twice to win overall 1st place prize. The loser's bracket will determine who takes 3rd, and 4th place prizes.
8. Boards will be set up two hours before the event (at 4:00PM) so that competitors may practice before the event starts. We hope to be outdoors, but in case of rain, we will be inside.
9. The tournament will start promptly at 6:00PM. Please arrive on time or forfeit your first match. We recommend you be there by 5:30PM to check-in, practice, and find out who you are competing against.
